Decorative Arts and Architecture

History from the First Empire

The gallery is dedicated to the history of decorative arts and architecture, featuring a collection of objects from the First Empire. The display includes a large golden horse sculpture, a large decorated earthenware jar, and a long glass display case containing various small figurines and objects. The gallery is illuminated by spotlights, highlighting the objects and creating a dramatic atmosphere.

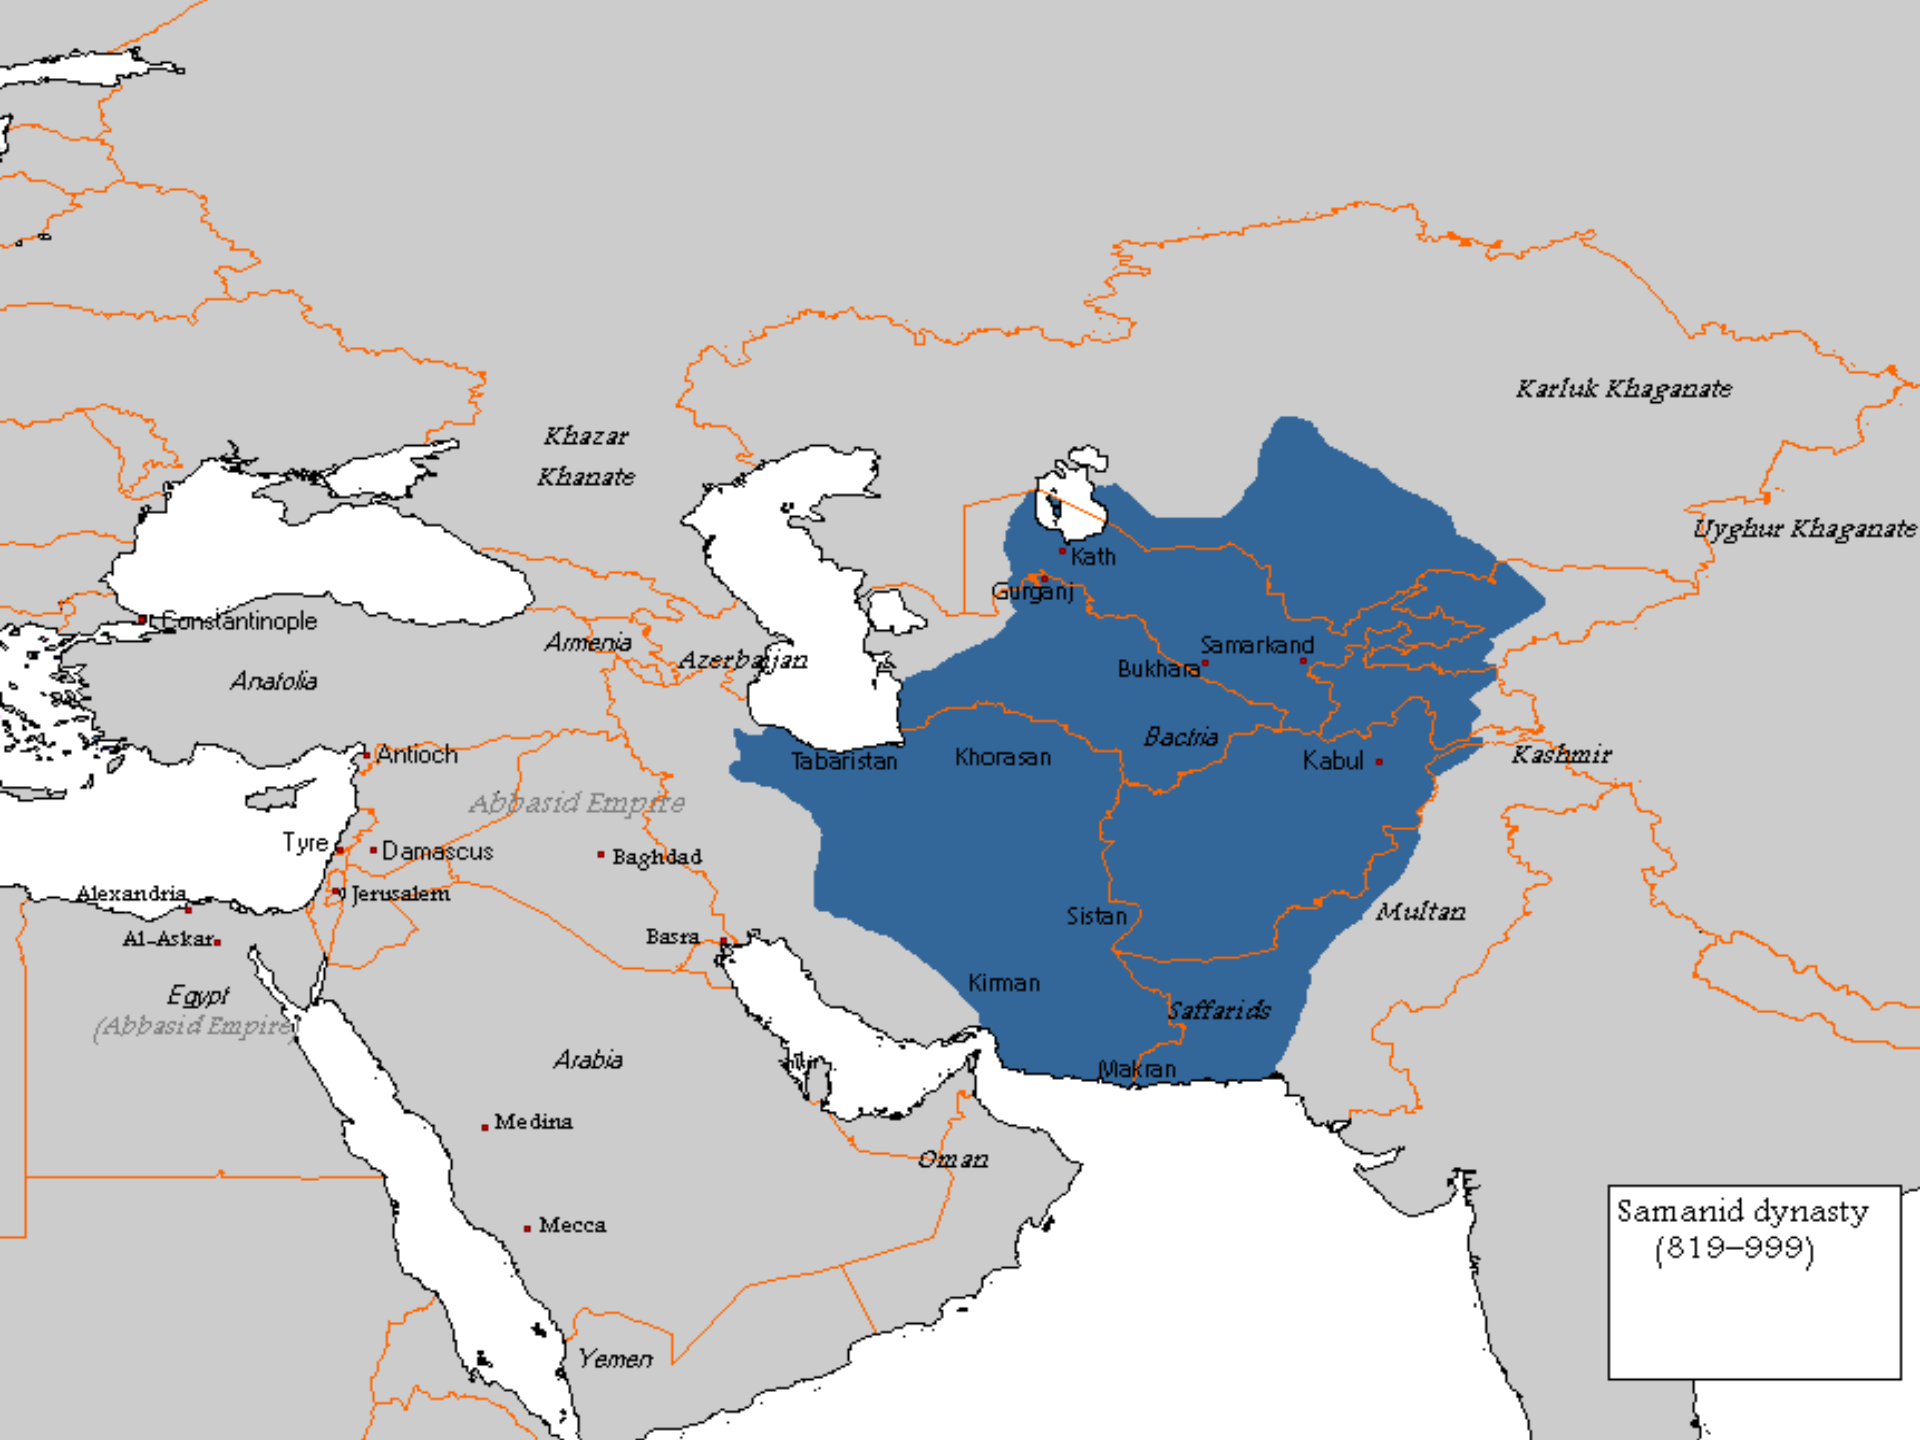

لَا إِلَهَ إِلَّا اللَّهُ مُحَمَّدٌ عَبْدُهُ وَرَسُولُهُ
